Atlanta Ga.

Dear Sir:

In answer to your letter of Jan. 13rd, I wish to state I may come to Atlanta to play a game Sunday April 21st, if you can get the league park, and if terms are suitable.

I cannot make a final promise at this time as I have to await the release of the schedules of the various leagues so I will know where I will be at different times.

I would appreciate you sending me a schedule of Atlanta park as soon as it is released.

Very Truly Yours
